

Host Enology & Viticulture Interns & Trainees from around the World!

AGRICULTURE • FORESTRY • EXTENSION

Who: Vineyards, wineries and wine distribution/export companies in Washington, Oregon and California

When: Harvest, or longer placements if you can offer them (up to one year).

What: You provide a quality work and training experience for an international wine student or professional. In exchange you get a unique cross cultural experience, an exchange of ideas and concepts, and establish new professional contacts.

Experience International staff will work closely with you to ensure a positive and productive experience. Support includes:

- Screening and selection of participants
- Assistance in developing training plans
- J-1 visa sponsorship
- Travel logistics & arrival orientation
- Host manual
- Assistance with medical issues
- Site visits & check-ins
- 24/7 emergency line

We can also work with you to provide J-1 Visa sponsorship if you have candidates already selected!
