# EXPERIENCE INTERNATIONAL

## PLACEMENT OPENING

### Custom Harvesting, California

**Duration:**

March-November or 12 months

**Wage:**

\$500 per week

**Housing:**

Included for free

**Cost:**

\$2055 - \$2945 (includes program fee, health/travel insurance and courier fees)

**Description:**

The farm harvests over 6000 acres of wheat, 6000 acres of corn, and 2000 acres of alfalfa, sorghum, and other crops exclusively for dairy feed/silage. Exchange Visitors gain experience in all aspects of farming including forage harvesting, manure management, equipment maintenance, cattle husbandry, and milking systems. Prepare fields and machinery for harvest: fertilize, irrigate and plan crops; do GPS field work; understand farm management.
