# USA Internships and Training Programs

**A comprehensive program that provides practical experience, cultural immersion, new skills, and resume building in the USA!**

- 2-12 month long placements
- EI or self-placed
- EI provides required J-1 visa sponsorship and ongoing placement support
- Applications accepted year-round
- Horticulture/crop placements
  - Spring through Fall or 12 months
- Viticulture/Enology placements:
  - Most August-November, some 12 mo
- Wages from \$7.25 - \$20.00 per hour
- Housing varies: may be provided with family, co-workers, or alone. May need to source own housing.
- Visit EI website for current program fees.

## How to Qualify

**This program is for students and graduates of agricultural programs as well as professionals with 5 years experience in place of a degree.**

- Over a year since your degree was earned? You need 1 year of experience in field of the training.
- Current student or recent graduate? Your internship must be related to degree field.
- Conversational English required.

## First Steps

**Talk to your college or EI partner organization in your country.**

- Think about what type of placement will further your career.
- Send us or EI partner organization your CV, cover letter, and questions!
