

Work Abroad with EXPERIENCE INTERNATIONAL

OUTBOUND FIRST STEPS

If you are considering working abroad, Experience International will ask for two documents to get the process started:

1. Resume/CV. Please include:

- Biographical Information - name, date of birth, phone number, email, home city and state
- Smiling photo in color
- All work experience (family farm, practical training, paid jobs, volunteering) - most recent listed first
 - Company name, start/end dates, hours per week, title, responsibilities, typical tasks
- Education: School name, dates of enrollment and date of degree(s) earned or anticipated
- Special qualification, such as tractor driving or other equipment endorsements/expertise
- Languages: list all languages you can speak conversationally, other than English. Include number of years of study and your competency in that language.

2. Placement Request/Cover Letter

Some questions to address in your statement should include:

- Why do you want to work/intern abroad?
- Where, and for how long, would you like to work abroad?
- What kind of position, farm, and living situation would be best for you?
 - Be sure to indicate what agricultural specialty you are best suited for (such as livestock, dairy, or crops) and why.
- How will you apply this international experience to your future career?
- What are your longer term goals?

Once we receive these two documents from you, we will conduct a personalized search for placements in the industry you request. Keep in mind that some countries might be better suited to offer a placement in a particular industry than others.

JOIN US FOR THE EXPERIENCE OF A LIFETIME!

Experience International (EI) is a 501(c)(3) non-profit educational organization based in Bellingham, Washington. Incorporated in 1988, our mission is to design local and global educational opportunities for students, professionals, and businesses to share their skills and cultures through experiential learning, immersion, and mentorship.
