# ADDITIONAL INFORMATION FOR WORKING ABROAD

## Qualification Criteria

- **Age:** 19 years or older
- **Experience:** Documented hands-on work experience in field related to requested placement (some countries require one year of experience)
- **Education:** Student or graduate of a post-secondary agricultural program usually required
- **Health:** No physical or mental health conditions that would limit activities or safety
- **Language:** Germany - some German preferred. Spain - Spanish classes may be required after arrival. Other countries require only English. A willingness to learn the local language while abroad is expected.

## Internships & Work Experience Abroad are Available in:

(Specific options vary depending on the country and season)

- Agriculture, Crops, Horticulture
- Viticulture and Enology
- Livestock, Dairy, and Equine
- Mixed Animal and Crop

## Application Process

- Submit Resume and Placement Request (tell us more about what you want and when)
- Discuss options with Experience International
- Experience International distributes your request to Exchange Partners abroad
- Complete application and supporting materials for the Exchange Partner organization selected
- Placement offered based on your experience, major, dates, & length of placement requested
- Placement information provided to applicant prior to placement acceptance

## Services Provided by Experience International

- Quality placements through established Exchange Partners abroad
- Help with applications & documents necessary for visa and/or work permit
- Information about cultural adjustment, what to expect, and pre-departure preparations
- 24/7 support in the event of an emergency and/or difficulties encountered abroad
- Personal accident/health insurance policy assistance

## Finances

- Participants receive wages or a combination of food and housing
- Experience International Program Fee: \$750 (\$200 deposit, \$550 once placed)
- Exchange Partner Program Fee varies by country. Contact EI for more details!
- Participants are responsible for airfare and some expenses abroad
- Health and travel insurance may be purchased with EI's assistance
- Scholarships offered by your college may reduce your expenses substantially
